

A SAFE COMMUNITY

International Perspectives

- *Violence and Injury Prevention – status reports at World Health Organisation website*
- *TEACH – VIP*
- *Our contribution through Community Safety Promotion...the ‘safe community’ model.*
- *Interest and growth in this model of intervention globally*

Furthermore

- *Range of activities are changing to address the crime, violence, poverty rather than the 'tradition' of injury prevention.*
- *Health, safe public policy – Ottawa 20 years later !*
- *Connection between wellbeing and safety*
- *Each of us brings new ideas and each community teaches others.....*

Opportunities

- *Safe Community Conferences – International and regional (Asia, African, European, Australian)*
- *Use the web, WHO Safe Community Weekly News, VSCN List serve and ASCF many more...*
- *Thankyou – remember 21 Feb 2006 your welcome in Latrobe City*
