

2nd Annual Conference 2004

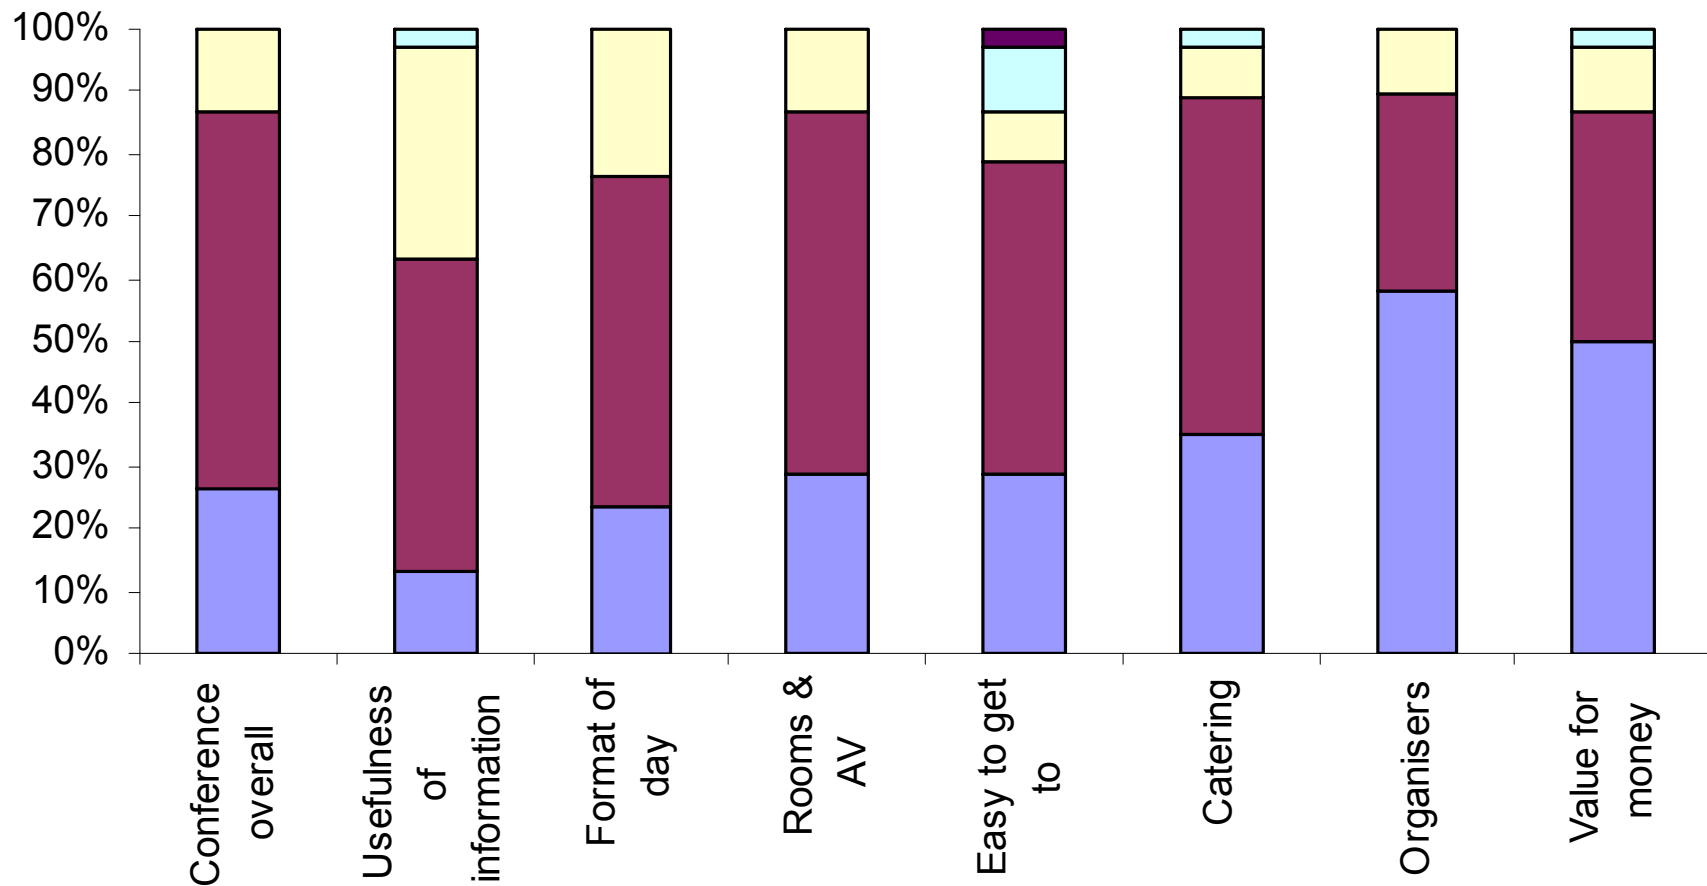

**Report on participant
feedback**

2nd Annual Victorian Conference on Community Safety

- Held Wednesday 17 November 2004.
- Darebin Arts and Entertainment Complex
- 38 people handed in completed questionnaires,
- out of approximately 130 people attending the conference.

Participant feedback, 2nd VSCN conference, 17/11/2004

Excellent Very Good Good Adequate Disappointing

Participant ratings, VSCN Annual Conferences, 2003 and 2004

Conclusions - 1

- The conference was again very well received by participants, with 100% rating it as good (or better), including 87% who rated it very good or excellent.
- The organisers were praised, with 89% rating the job they did as very good or excellent.

Conclusions - 2

- The basic format was rated as good, very good or excellent by 100% of respondents.
- Some participants would have liked better opportunities for interaction and discussion.
- The wide range of topics and people was valued.

Suggestions for improvement

- Participants would like to see the program earlier.
- More detail on program and presenters - where they were from or what they would present.
Headline did not necessarily reflect the topic.
- Put the organisation next to the presenter's name on the sessions.
- Make map of venue available in public area or include on program.
- Participants list is always helpful.
- Members of committee available to introduce participants to each other.

Suggestions for next year

- Cannot wait till next year.
- Excellent.
- Keep as is.
- Keep it up guys.
- Well done and congratulations on organising an informative day.
- Congratulations on a great conference.
- Well done everyone! I enjoyed the 2003 inaugural conference. You've obviously taken on board feedback from 2004 for a highly professional event.
