What is Community Safety Month?

Community Safety Month (CSM) is a mobilisation program that promotes a partnership based approach to raising the awareness of safe practices in the Victorian community.

AIM

To mobilise people with a safety responsibility, or interest, to organise a safety-related activity within their community

Target Audience

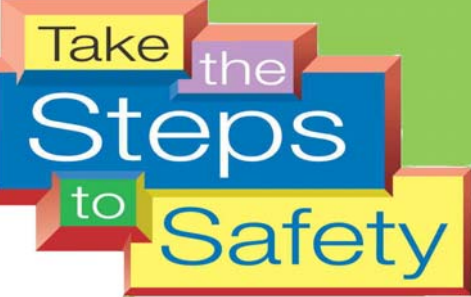

- **Primary Target Audience**

Victorian safety practitioners

- **Secondary Target Audience**

Members of the Victorian public

CSM WEBSITE

www.communitysafetymonth.com.au

Start Planning for CSM 2005

Don't forget to put Community Safety Month into your organisation's calendar.

Start your own Community Safety Working Group to undertake audits or determine the safety priorities for your organisation in 2005.

Keep visiting our site to get the most up to date information on CSM 2005.

Book **Safetyville**, the Community Safety Game available **free of charge** for use in schools and community youth groups.

NO STEP IS TOO SMALL IN MAKING OUR COMMUNITY SAFE
ORGANIZE A SAFETY ACTIVITY
TAKE PREVENTATIVE ACTION

A safer community is achievable through active participation, cooperation and commitment to safe practices.

How are you going to take the steps to safety this October?

October is Community Safety Month. During October this year, Victorians are encouraged to take the steps towards enhancing their safety and the safety of others by organising activities aimed at reducing crime, violence, emergencies and injuries in our community.

You can be involved in Community Safety Month in 2004 by taking the steps to safety. Organise and [register an activity](#), promotion or event that highlights a safety issue in your community or distribute safety information to your networks via your newsletters or on your website.

Organisers Information

A screenshot of the Community Safety Victoria website as viewed in Microsoft Internet Explorer. The browser's address bar shows 'www.communitysafetymonth.com.au/index.asp'. The website has a green header with a 'Safety Tip' about walking at night. A sidebar on the left contains a search bar and a list of links. The main content area features a section for 'Start Planning for CSM 2005' with text about organizing safety activities. A large 'Take the Steps to Safety' logo is on the right. Arrows from the top-left logo point to the sidebar, the 'Start Planning' section, and the right-hand logo.
